

Showcasing and celebrating the works of Canadian creators is at the heart of what we do at Telefilm. That is why we are proud to partner with 2024 Short Circuit Pacific Rim Film Festival, to further boost our support for Canadian creatives at home and around the world.

In this ever-evolving cultural landscape, festivals continue to play an important role in the film industry, growing the talent pool, as well as allowing audiences to celebrate and connect with distinctive Canadian films and the talent behind them.

We encourage you to keep supporting Canadian talent in theatres and on digital platforms!
